I have had many requests for the Will of Colonel John Waller. Recently a direct descendent from Charleston, Illinois visited my office to purchase a copy of the Society’s King William County map. He had a copy of this Will which he graciously allowed me to copy. This contains “The Will of Colonel John Waller (1674-1754) of Virginia” plus “The Will of Mrs. Dorothy Waller (1675-1759) of Virginia — widow of Colonel John Waller”. This Will lists children and grandchildren by name.
