Please join us at the next meeting of the King William County Historical Society which will be held on Sunday, October 15<sup>th</sup> at 2:30. This will be an in-person meeting at the Upper Mattaponi Tribal Grounds.

The Upper Mattaponi Tribal Grounds serves as the Tribe's headquarters. The original 32-acre parcel was the first property to be taken into trust following the Tribe acquiring federal recognition status in 2018. Since then, the Upper Mattaponi Tribe has reclaimed more than 1,200 acres of land in King William County.

We will have our annual picnic in the pavilion on the Tribal Grounds. Tables and chairs will provide comfortable seating and restrooms are available.

KWCHS will provide fried chicken and beverages. Please bring a side-dish or dessert to share. We look forward to seeing you there!
